

Beneficial  
State Bank

# Oregon, Where you bank matters.

Choose a bank that invests in tomorrow.

---

# Did you know?

Banks can lend our deposit dollars to any industry they choose — fracking, pipelines, weapons, and special interest politics that benefit the few at the expense of the many.

At Beneficial State Bank, our lending helps to finance organizations that restore our planet, invest in our community, and extend prosperity to all of us.

Street Roots

An award-winning, nonprofit, independent news source focusing on social, economic and environmental justice

## Our Lending Impact

**Nonprofits:** 77 nonprofits supported with \$42.8 million in loans.

**Affordable Housing:** \$94.9 million in loans, resulting in 1,492 units for families.

**Environmental:** \$16.7 million in loans to 9 renewable energy projects that produced 19.4 million kilowatt hours of energy, or the equivalent to 2,962 gas-powered passenger vehicles driven for one year.\*

## We Never Finance

Private Prisons

Weapons Manufacturing

Fracking
